B. Public Comments

Ed Waldheim from CORVA and CTUC supports full funding for this Grant application because of the large population of OHV riders that continue to ride in non-designated areas causing damage to lands.

Ed Stovin, from another division of CORVA, feels the Grant funds may be better spent elsewhere, because Santa Clarita and Palmdale Sheriff Station areas do not have significant OHV opportunity, except for Hungry Valley OHV Park, and State funds cannot be used for enforcement in that area. (Mr. Stovin is mistaken in his comment.) The Santa Clarita Valley has three dedicated OHV areas, not including Hungry Valley, Those areas are Rowher Flats, Drinkwater Flats, and National Forest areas, all which remain closed, or partly closed due to recent wildfires. There is significant ongoing use in these areas by illegal OHV riders that cause damage to the trails and surrounding lands that are unable to revegetate because of the illegal use. Santa Clarita Station also has significant problems with "garage riders" that damage lands and cause noise disturbances in the areas surrounding residential and commercial neighborhoods.
